Ferris Lamont King, age 39, was born November 16, 1983 in Robertson County, Tennessee to Patsy King.

He left this earthly home on November 18, 2022.

He was educated in the Robertson County School System where he was active in football for many years.

Some that knew him would call him a simple man and a man of few words. But the people who knew him best would call him friendly and refer to him as “Lamont.” Lamont was what most would call a “momma’s boy” that loved being in the presence of his mother. In the eyes of his mother Patsy, she saw a great man that gave her the love she deserved most in the best way that he knew how. He was known for his love of the Tennessee Titans, video games and good food. He was a hard worker and had a very close relationship with his mother. He was an excellent cook and enjoyed being in the kitchen with his mother, especially on holidays. As we all know in his last years he struggled with his health issues but never let it stand in the way of him cooking good food and watching a football game that would put a smile on his face.

He leaves behind to cherish his memories: his daughters, McKenzie King, and AnDraya King; his son, Jeremiah King; his beloved mother, Patsy King of Springfield, TN; brother, Corey King of Hendersonville, TN; nieces, Serenity, Kori Jesse, Luna and Mercy; a host of cousins, family and friends.
